

# Tribute to the King of Pop

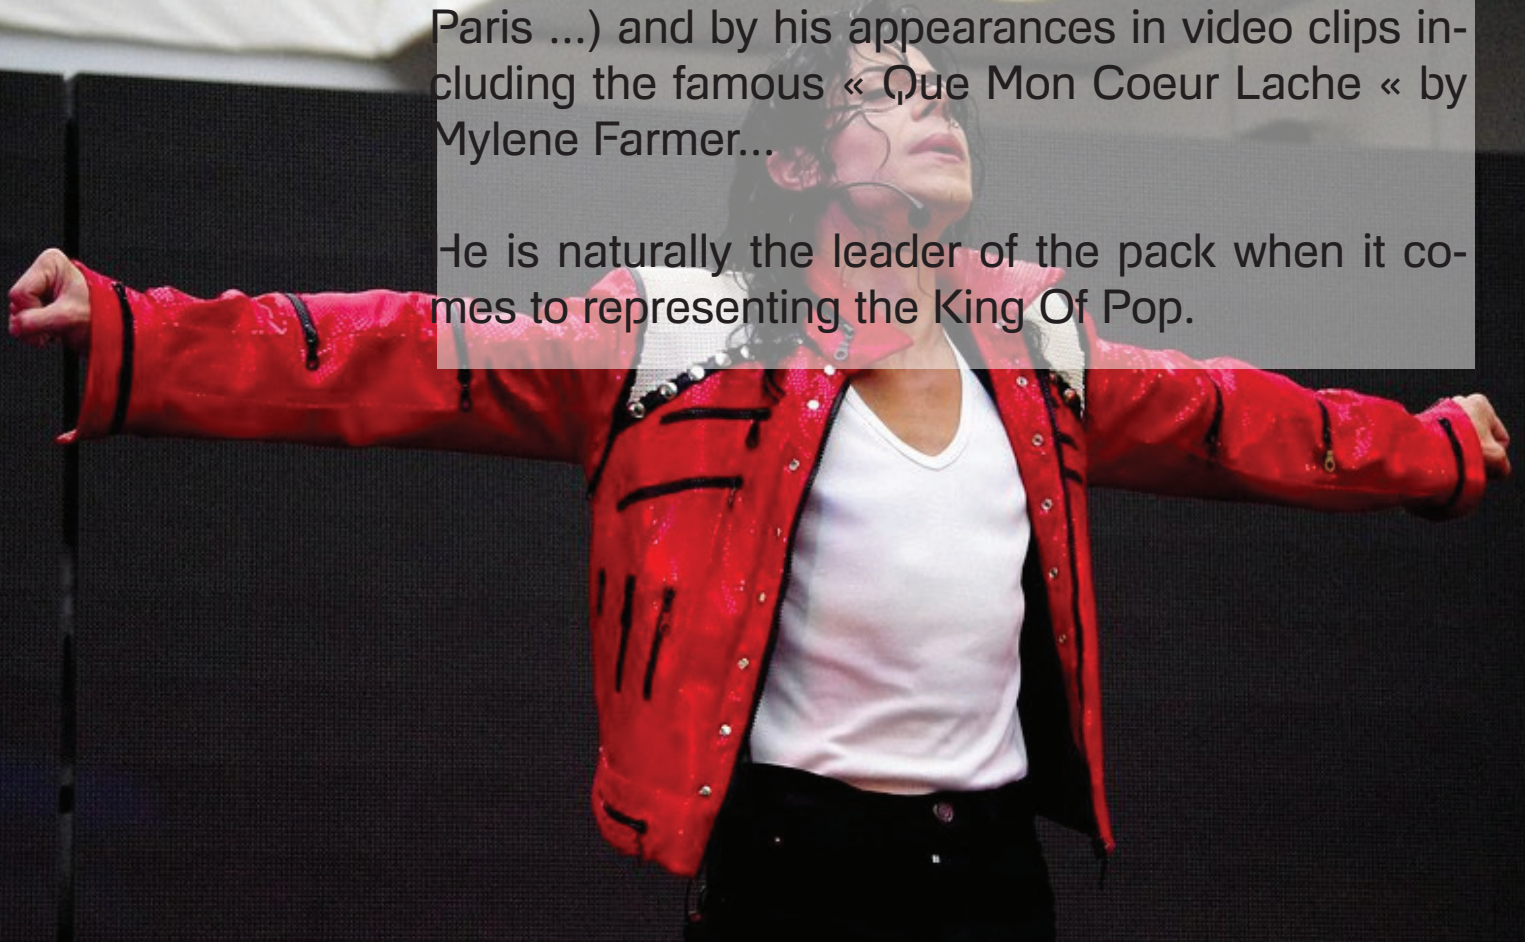

Christopher Gaspar

Christopher Gaspar had the rare privilege to have collaborated with the pop icon notably on the «Pepsi Tour» and for the doll «Black Or White» as well as the release of the box-set «Ghosts». Christopher Gaspar is one of the most striking and disturbing incarnations of Michael Jackson ever seen.

An all- round performer, dancer/ singer/ actor.. he was first noticed years ago by his stage performances ( Pepsi Tour, Fuji, PKC at the Zenith in Paris ...) and by his appearances in video clips including the famous « Que Mon Coeur Lache » by Mylene Farmer...

He is naturally the leader of the pack when it comes to representing the King Of Pop.
